

New England Baptist Hospital offers pre-operative educational classes for patients to attend prior to having total hip replacements. Classes are taught by a nurse and physical or occupational therapist. Attendance is encouraged so patients learn valuable information on what to expect before, during, and after surgery so that they may be better prepared. A question and answer session follows each class.

**Registration is required as class size is limited.** Please register as soon as you know your surgery date. Register by calling (617) 754-5565. **You may bring one guest to class with you.** *Classes are subject to change.* Visit [nebh.org/myclass](http://nebh.org/myclass) for the most up to date schedule and to view our video/print education series materials.
