

Total Knee Replacement Pre-Operative Teaching Class Schedule

New England Baptist Hospital offers pre-operative educational classes for patients to attend prior to having total knee replacements. Classes are taught by a nurse and physical or occupational therapist. Attendance is encouraged so patients learn valuable information on what to expect before, during, and after surgery so that they may be better prepared. A question and answer session follows each class.

Registration is required as class size is limited. Please register as soon as you know your surgery date. Register by calling (617) 754-5565. **You may bring one guest to class with you.** *Classes are subject to change.* Visit nebh.org/myclass for the most up to date schedule and to view our video/print education series materials.
